

January 4, 2017

Dear Community Members,

Asian Heritage Foundation (Southern Alberta) is celebrating Canada's 150th Anniversary! We are looking for 150 stories to share with Calgary through social media and through a printed exhibit to be displayed at various locations through the City during Asian Heritage Month, May 2017.

We want to showcase the significant contributions that Canadians of Asian heritage have given to Canada over the past 150 years. We are accepting submissions from a wide range of ages, professional backgrounds, and across all sectors. The contributions can be social, economic, or political. Your story may be selected to appear on social media and at Canada 150 and Asian Heritage Month events throughout 2017.

We are able to support translation services if required to collect stories from all Asian heritage communities.

If you have a story to share or know someone's story that should be shared, please send us the following:

1. Photo of the group or person
2. The story (no more than 500 words)
3. 2 references with contact information

Submissions are to be emailed info@asianheritagecalgary.org as soon as possible. Entries will be reviewed continuously beginning January – May 2017.

Thank you for your time, and we look forward to hearing all the stories from the community!

Sincerely,

Lourdes Juan
Asian Heritage Foundation
